

First Grade News Jan. 4, 2018

A Peek At Our Week!

Happy 2018! To begin the New Year, we're learning how to be "bucket fillers". We've talked about how everyone has an invisible bucket that contains good feelings. When we do or say kind and caring things for others, we add a drop to that person's bucket. It also adds kindness drops to our own buckets. When our buckets are full of kind "drops", we feel happy. Being a bucket filler helps us to be more aware of others' feelings and to think before doing. 😊

What's Coming Up?

We are starting our work on animal habitats. We'll be learning about animals that live in the Arctic.

In math, we'll continue to practice place value with hundreds, tens and ones. We'll also keep working on addition and subtraction facts.

Words with long vowel sounds and sight words will be the focus for our reading, writing and spelling work.

We'll write New Year's resolutions for 2018 for our Hopes and Dreams board, too!

HOORAY FOR OUR NEXT
FABULOUS FIRST GRADER!

😊 JACK THOMPSON 😊

CONGRATULATIONS TO:
JOHN

He lost another tooth!!
