## A Peek At Our Week!

JOHN said, "I had fun building with the foam shapes."

GENEVIEVE said, "I had fun building with the geo-boards and foam shapes."

ISAAC said, "Reading *Junie B. Jones* in my book box was fun."

LEO said, "I liked the tree frog project."

We ALL enjoyed

Grandparent/Grandfriend Day!! 😊 😊

## What's Coming Up?

We'll work on addition and subtraction strategies to help us with our basic fact fluency.

The Superkids will help us work on -or, ear and -ar tricker words. We'll read two new stories and do many word work activities to practice these skills.

Our caterpillar kit has arrived! We are very excited to observe their life cycle changes! We'll record our observations in our science journals.

**MAY BOOK ORDERS** are attached. This is our **LAST** book order of the school year. You may want to stock up for summer reading! If you'd like to order this month, please do so by Thursday, May 17. Order online using our class code DTJGD, or return to school with the order slip and check payment, payable to Scholastic **BY MAY 17.**

## Reminders

The **MMSA FLEA MARKET** is coming up next week, May 17-19. If you have items to donate, they are being accepted beginning Sat., May 12, from 11am-2pm.
