

First Grade News

Oct. 4, 2018

A Peek At Our Week

We enjoyed going on a fall walk to look for special fall things. We also painted some beautiful fall trees and wrote about fall.

We worked on short vowel word families to get ready for our first Spelling test!

We practiced number combinations for 5, 6, 7, 8 and 9 with a new beans game in math.

What's Coming Up?

The Superkids will help us work on the letter digraphs -ch and -tch for our phonics focus and spelling words this week.

In math, we'll work on addition and subtraction strategies. We'll also try some data collection graphing.

We'll go on our field trip to the Afton Apple Orchard on Monday, Oct. 8 from 10:00-1:45. Please help your child remember to bring a COLD LUNCH that day also.

CONGRATULATIONS TO SARA!

She lost a tooth!

OUR FIRST FABULOUS FIRST GRADER will be:
FLIPPER PENGUIN!

All first graders will get a chance to be the fabulous first grader and share special things about him/herself during their special week!

MARATHON NEWS

We hope to see everyone at our official MMSA MARATHON ON FRIDAY, OCT. 5 from 5-7pm! Will you walk or bike our marathon route?

We can also wear our NEW MARATHON T-SHIRTS ON FRIDAY, OCT. 5. Please help your child to collect pledges/get sponsors to help us reach our goal. 1st graders will pray for a peaceful world during October. Grades K-2 will create artwork for a food shelf for our service project.
