A Peek At Our Week!

We practiced addition facts with some new math center games.

The Superkids helped us work on -ch, -sh and -wh words. We also read the story "What Can You Get For a Nickel?" .

We learned some bat facts and made a cool bat chart to help us remember our facts.

We're enjoying the read-aloud "Ready Freddy and the Pumpkin Elf Mystery".

What's Coming Up?

We'll celebrate Halloween on Weds., Oct. 31 by wearing orange and black. We'll also do a craft, have a snack and try some Halloween center games!

In Math, we'll continue working on addition and subtraction strategies.

We'll talk about Saints in Religion.

We'll go on our field trip to Afton Apple Orchard on Mon., 10/29!

Reminders

Our "Marathon of Prayer and Service" fundraiser is wrapping up! If you still have pledges to collect, please turn them in by MON., OCT. 29th. The prize drawing for students who have raised at least \$20.00 will be Weds., Oct. 31st.

When we reach our school goal of \$20,250, we'll be able to wear our MMSA t-shirts and jeans EVERY FRIDAY!

☺ Thanks for helping MMSA! ☺
