## A Peek At Our Week!

JOSHUA said, "Learning about how rocks are made was cool."

MADYSON said, "I like using the writing center on Fun Friday."

BECKER said, "I liked sorting the rocks."

JOSEPH said, "I liked having cupcakes on Becker's birthday."

We ALL enjoyed watching and making sedimentary rocks, and then eating them!

## What's Coming Up?

The Superkids will help us work on contraction words using will (we'll, you'll, etc.). We'll also read the story "A Super Day At Happy Land".

We'll continue our "Rockin with Rocks" unit. We'll try some rock experiments and we'll write rock facts in our rock notebook.

We'll have fun with leprechauns! We hope to find some leprechaun treasure...

## CONGRATULATIONS TO:

MADYSON AND LIAM

They lost a tooth this week!
