A Peek At Our Week!

JOSHUA liked making the rain forest project.

JOSEPH liked doing the Earth projects.

ULISES liked the rain forest project and the Earth project.

LIAM was absent. ☹️

NEMO liked I liked reading the Earth books.

We ALL enjoyed doing the Earth day challenge and helping the earth!

What's Coming Up?

The Superkids will help us learn about "Bossy r" trickster words. They're words that don't follow the usual bossy r patterns, such as earth and work.

In math we'll use strategies to help us become more fluent with addition and subtraction facts, including doubles and fact families.

We'll also work on a rain forest animal fact book.
