A Peek At Our Week!

ULISES is looking forward to doing the tree frog project.

NEMO liked doing the Earth project.

MAC said, "I'm looking forward to having Mady's birthday.

LIAM liked doing the rain forest layer project.

We ALL enjoyed reading the Magic Tree House book "Afternoon on the Amazon".

Our trip to the MN Zoo is next Thursday, May 11! Please remember to send in the \$12 and permission slip to school by Mon., May 8th.

Our Plantmobile Presentation to help us learn about sunflowers will be at MMSA Thurs., May 25. The permission slip and \$7 should also be sent in to school by Mon., May 8th.
Thanks!

What's Coming Up?

The Superkids will help us work on -ar, -or and -ear tricker words. We'll read two new stories and do many word work activities to practice these skills.

We'll continue our work with addition and subtraction facts in math. We'll use some new May math centers to practice them!

Our caterpillar kit should be arriving soon to help us learn about animal life cycles.

Reminders

May book orders are attached. This will be our last order for the year, so you may want to stock up for summer reading! If you would like to order this month, please order online with our class code, DTJGD, or send in the order and payment to school by Thurs., May 11. There are many good choices this month. 😊 😊 😊
